## The sophisticated DECT handset for professional use.

### SL610H PRO

The SL610H PRO is a DECT handset designed for business use. Users benefit from exceptional sound quality, freedom of movement and multi-tasking convenience. Connectivity via Bluetooth® and mini-USB allows convenient data exchange between the handset and a PC. The SL610H PRO is perfect to use with the Gigaset N510 PRO, a DECT IP base station, or the Gigaset DX800A all-in-one hybrid desktop phone. It is also compatible with all other Gigaset DECT base stations. Zero-touch installation ensures quick and easy configuration.

### Feature highlights:

- Brilliant, 1.8" TFT colour display with 7 lines
- Intuitive, icon-based user interface
- Headset connection via Bluetooth® or 2.5 mm jack
- Convenient data exchange via Bluetooth® or mini-USB
- Vibrating alert
- Time-specific, 'do not disturb' function for external, non-VIP calls
- Hands-free talking with brilliant sound quality
- 4 hands-free profiles for personal voice quality experience
- Organiser with calendar and reminder functions
- Ergonomic keypad with adjustable illumination and keypad protection

### DECT technology:

Interference-free DECT technology provides benefits in terms of range, standby time and speech quality.

### Connectivity

Flexible connectivity options with the SL610H PRO.

# SL610H PRO
